NORTHUMBERLAND RUGBY UNION MATCH RESULTS 1885 - 1890

The venues of most county matches are recorded after 1884. Home matches after November 1885 were played at what was known as the County Ground. This ground was behind Windsor Terrace, Brandling Village and is not to be confused with the later County Ground in Gosforth. Reports seem to describe the former variously as the County Ground; Jesmond or Newcastle.
