2. **Payment of Players**
   A reminder that the declaration window opens 1st March, closing 30th June 2024.
   Communication will be shared with CBs, including regular updates on current 'status' of clubs completing the declaration.

3. **Girls Registrations**
   This priority work is ongoing, and the majority of Clubs have now been contacted, with initial meetings being undertaken. Your CBRM will keep you up to date on any key needs and progress made.

4. **National Youth Council – Applications Open**
   As I am sure many of you have seen in the Community Game Update, National Youth Council applications are now live (closing Tuesday 2nd April).
   I just wanted to flag with you to ensure that you were aware, should you want to promote on your channels (thanks to those who already have) or share with anyone that you know (aged 18-24) that may be interested in applying.
   Further information, including a link to the application form can be found here but if you have any questions just let me know.

5. **Adult Player Registration.**
   The focus is currently on encouraging players to verify email addresses, to ensure the process of registration ahead of next season is smoother. If CBs can push this locally as well, that would be appreciated by the Team.

6. **County Championship Funding.**
   We appreciate a few CBs are asking when payment will be made, this is currently being processed and should be with you in the next three weeks.
