CB WhatsApp and Facebook Pages – with a new Board of Directors now in place, it was felt timely to post a gentle reminder relating to content on CB Whatsapps and Facebook pages.

These discussion groups and FB pages are CB run and administered and are for rugby matters only.

Please do not use these platforms to promote business, charity work, booking of rooms / facilities, quiz nights etc as otherwise the rugby messages will be lost. This is also the reason why, as a CB, we do not share non rugby related posts on the main CB Facebook page.

We do see and appreciate all the fabulous work that clubs do to promote their facilities, social events and charity work, but you will understand that if we share posts for one club, we have to share them for all – and we would be inundated!

Thank you for your understanding with regards to this message.

Graham Crozier, CB Hon Secretary
