Copy of Mail sent to Club Secretaries, Chairs of Age Grade and Club Reps 08.07.24

Summer Hours – County Office

Please be aware that Claire is now working closed season (summer hours) until Mid August. This means Claire is working 20 hours per week in lieu of extra time given over during the season. Days worked in July and up to mid August will vary and depend upon County diary and events. Please do not expect an immediate response to mails sent, facebook posts or whatsapp messages as once Claire leaves the office she will not be responding. In addition, social media posts will not be shared when Claire is on her down time.

Social Media and Whatsapp

We would also like to make it clear now following some unjust and unfounded criticism in early June, once the season has started, social media posts will not be shared outside of office hours. This means that no social media will be shared in an evening or on a weekend. Posts will be shared if workload allows during the working day.

Additionally, so that the job does not become 24/7, Claire has also been told that she is not to respond to Whatsapps after hours.

We need to look after Claire and ensure she has down time. In recent months it has become expected that Claire responds after hours and this is not fair on her or her family.

The above takes affect as of today – Monday 8th July.

Thank you

Graham Crozier, CB Hon Secretary
